

Advancing Science and Engineering  
through Laboratory Learning

Workshops to improve the  
quality of  
learning in undergraduate  
science  
laboratories.

### Upcoming National ASELL Science Workshop

**Dates:** 25-27 Nov 2015

**Location:** Monash University

**Disciplines:** Biology, Chemistry, Physics and allied  
disciplines

Universities are invited to send 2-person teams (one academic and one teaching associate or demonstrator or student) to showcase an experiment and for colleagues to network and view a range of practicals in a 'hands on' format.

Experiments that need improvement are ideal for this workshop.

**Cost:** AUD\$715 (AUD\$650 plus GST) per team covering registration and food

**Due date for EOI** for experiments to be evaluated: Aug 17<sup>th</sup> 2015

**Registration deadline:** Oct. 26<sup>th</sup> 2015
