The experimental work supporting this report is in my Logbook, pages \_\_\_\_\_ to \_\_\_\_\_

This report is entirely my own work. It is based on experimental work which I performed in the Senior Physics Laboratory. This report and the laboratory work on which it is based, has not been submitted for assessment in any other unit of study. I am aware of the University's policies on cheating and plagiarism. I understand that the intellectual property rights of this report and the associated laboratory work are subject to the regulations of Senate and the Academic Board. This means that the University cannot publish this work without my written consent.
